

How to get here

- Our Address:** Sandfields Pumping Station, Chesterfield Road, Lichfield, WS14 0AA
- By Train:** Lichfield City Station is 0.6 miles away (about 10 to 15 minutes walk).
- By Car:** Use the post code WS14 0AA. Our entrance is directly opposite No. 106 Chesterfield road. Please note: There is limited parking available on site so please be prepared to have to find alternative parking including on street parking in the vicinity (Please respect our neighbours access).

Local Car Parks:

The Friary, Lichfield WS13 6QE. 0.6 Miles, 12 minutes on foot.

Lichfield City station car park, Station Road, Lichfield, WS13 6HY. 0.7 Miles, 15 minutes on foot.

- Opening Times:** Please confirm that someone will be on site before setting off. The pumping station is usually open between 10:00 am and 12:00 pm on Friday mornings whilst the volunteers carry out work and small numbers of visitors can be shown around at these times. Special arrangements can be made for group visits outside of these times, please contact us via the [Contact Us](#) link on the menu above.

- Accessibility:** We plan to have a lift installed to give access to most parts of the building when we are able to. But until then, only the floor of the the 1960's building which is on the same level as the car park is accessible without climbing or descending stairs. We do have a [virtual tour](#) of the building which gives access to view the engine, beam and event the condenser: Virtual Tour
